

Hello ^__^

I'm Nicole (Niki) if we haven't met.

Thank you for taking the time to view this website:

It was made truly as a personal creative outlet, but also because: GH and Anna Devane have brought me so much enjoyment— an escape from daily life/troubles, and whether through watching together or sharing fan art, I've met & talked with some really amazing, unique people in the process (esp. when finding new friends is difficult).

[I'd like to especially thank those people for their encouragement and help.]

Drawing and putting all the pieces of my ideas together to build this site for Anna Devane's 40th Anniversary became a hobby of sorts, so I do hope you've found it to be just as fun as I've had putting it all together.

❤️ Nicole ✨
